Hi Jean,

We haven't finalized the schedule yet, but it's looking like the scoping meeting will be held in late October or early November. I can confirm the date next week, if you want to check back.

I'll add you to the CEQA distribution list for the Balboa Reservoir project.

Thanks

Hi Jeanie,

Michael Ahrens suggested I contact you. I'm working with him on the Balboa Reservoir Project, 2018-007883ENV.

I was wondering if you could help me understand the timetable for this project.

I believe there'll be a scoping meeting before the EIR is written. Do you know when that will be held?

Thank you very much for your assistance.

Regards,

Jean
