Subject: February Balboa Reservoir CAC Meeting

Dear Members of the Balboa Reservoir CAC,

Good afternoon.
We would like to remind you that the next Balboa Reservoir CAC meeting will be this coming **Monday, February 12th, at 6PM in City Hall's South Light Court**. Please use the **Polk Street entrance** to enter the building.

Monday's meeting will be an informational overview of the fiscal feasibility process, which considers how the project will impact City finances. While you are welcome to review the documents (attached & CAC website) in advance, you should not feel obligated to. The analysis itself is somewhat technical, and Monday's meeting will be an overview of the contents. The aim for the meeting is to help the public gain an understanding of the fiscal feasibility process, purpose, and results.

Best regards,
Tom
