**Subject:** Balboa unit count

Spoke to Joe K again Friday. After discussing with his colleagues, they've decided they do NOT want to prepare a D4D (or whatever we're now calling it) showing a count higher than 1100. Community opposition and the supervisor's position were given as the reasons. We should discuss implications. Since we are studying 1500 in the EIR, decision-makers could eventually approve a higher number.
