Hi,  
I am a District 11 resident and neighbor of Balboa Reservoir, and I strongly support adding 1,100 units of housing in place of the parking lot at Balboa Reservoir.

This is absolutely the right choice for our city to make. New residents will help support our local retail and hopefully bring much needed foot traffic to Ocean Ave and Mission. We absolutely need to build more housing to address the housing crisis, and that housing should ideally be built within walking distance from transit stations like Balboa Park BART and corridors with good Muni access like Ocean Ave. Finally the 50/50 affordability split is an incredible opportunity to bring in affordable homes for people at risk of displacement in Ingleside and the Excelsior.

We absolutely need this parking lot to turn into housing. Please support this project.

Thank you,  
Sara Barz
