Dear Planning Commission and Representatives,

As a resident of 94112, and student of CCSF, I was very excited to hear of the plan to build affordable and market rate housing at the Balboa Reservoir site.

I am writing in full support of building the maximum number of 50/50 new market rate and new subsidized affordable units of housing at this site.

This project will bring much needed housing to our community which drastically needs it, and is a substantially better use of the space than parking.

This is a voting issue for me and will influence my vote in the upcoming and future elections.

Best,  
Daniel Gonzalez
