Hi Sheila and Sue-

I think you likely know that Howard Chung has resigned from the Balboa Reservoir CAC. I'm working with Kanishka from the Mayor's Office to find and appoint a replacement. We have a good candidate, and as part of the vetting process, Kanishka just wanted to confirm that the current CAC membership information [on the CAC website](#) is correct (other than Howard Chung).

Can you please just confirm that it's all up to date?

Thanks,

Ted
