Hi Amy,

Absolutely – I plan to email the presentation to the CAC members today. I will also bring printed copies for the members so you do not have to print one.

See you on Monday, Leigh

Hi Leigh,

Welcome back!

I'm happy to print for myself the PDF presentation for Monday's meeting, if I know when it will be posted on the Planning website. Do you know when that would be?

Or will CAC members be given a printed copy of the presentation at the meeting?.

I just strongly prefer to have it on paper in front of me -- not twist to try and read it on a big screen behind me.

Thank you-
Amy
