Hi Mr. Hong,

My last email was incorrect. The document will be at 1650 Mission St 4th floor (Planning reception), but it's not there yet. I will let you know as soon as it's there. Sorry for the inconvenience. In the meantime, it's available electronically [here](#). Please don't look for it at the PIC.

Thanks,
Jeanie

Hello Mr. Hong,

I just forwarded you an email with information about the Draft Balboa Reservoir Design Standards and Guidelines. We don't have hard copies to give away at the moment, but hard copies are available for viewing at the Planning Information Center (PIC), which is currently at 1660 Mission St **5th floor** (pending Planning and DBI's move to 49 South Van Ness later this year).

We are aiming to publish the EIR responses to comments document in April.

Thank you.

Jeanie Poling

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Good morning Miss Poling, I hope you are doing well. Have a question here. I have a copy of the DSEIR, 8/7/2019. I believe I submitted my comments somewhere during the DEIR process, but can't find that email. But right now that's OK. Would it be possible to get a hard copy of the Draft-Design and Guidelines for this project. As usual, we can pick it up on the 4th floor reception desk.

Incidentally we were up there a week or two in the new section with DBI and all. The receptionist on the first first was unable to help me at the original PIC desk. Where is this desk now?

We plan to attend the 3/9/20 meeting.

Will there be a RTC for this project?

Best, Dennis
