Hello all,

You may have seen the City's newest guidance on Coronavirus community protections (attached) recommending no large gatherings. We are prepared to continue to hold Monday's meeting as it has already been noticed, but please do reach out if you do not plan to attend so that we can make sure we have a quorum. We are investigating tele-meeting capabilities to see if people may be able to view the meeting remotely, but I don't know that we will have it prepared for Monday. We will be asking the public to sit spaced apart at the meeting.

Please reach out to me with any questions or concerns. We're trying to apply best practices while City health officials continue to monitor the situation and respond accordingly.

Thanks, Leigh
