Thanks, Wade!

Received and reviewed.

There are a few items I've tagged to bring up on the call tomorrow with Tony/MTA and there will likely a few more that I'll reach out to Liz on early next week.

Talk to you tomorrow,
Amanda

Good evening Amanda,
Please see attached for combined city comments and edits.

Great job! The document provides substantial evidence for the revisions to mitigation measure M-C-TR-4. Monitoring Cumulative Transit Travel Times and Implement Measures to Reduce Transit Delay. Most of our edits and comments are editorial to clarify language and to shorten this memo up. Please reach out to Liz to clarify comments and edits.

p.s., Jeanie will be transmitting our RTC comments and edits later tonight.

Thank you,

EXT

core Planning/MTA Balboa Team –

I'm back from parental leave and looking forward to seeing you tomorrow. Be prepared for baby pics galore!!

In advance of the meeting, I am sharing the draft supplemental transit analysis, which will be a main focus of our discussion (see attached). I've limited the number of recipients here so please share with a broader group as you see fit.

Thanks!

Amanda
