Hello,

Hope you are well.

Thanks for reaching out. It is essentially one agenda item with two subcategories, so one support document is correct. Usually we don't provide a support document for an informational presentation. Let me know if you have any other questions.

Hi Seung Yen,

I see that the Balboa Reservoir project is listed as two separate agenda items for the next Planning Commission meeting. Both online agenda items link to the same document. Was there supposed to be a separate document for the informational presentation (16a)? Thank you.

Sincerely,

Christopher Pederson
