Subject: Balboa Reservoir transit mitigation measure

Hi Steve,

We received input from SFMTA on the transit mitigation measure. Please see the attached **and let me know ASAP if you are OK with the changes in the first column**. If yes, then ESA will apply them to the rest of the RTC document.

We can discuss and resolve the mitigation schedule column as we prepare the approval documents. MTA wants the Planning Department to be involved so as to let the sponsor know when the MTA payments are due.

Thanks,
Jeanie
