Planning Code section 401

"First construction document." As defined in Section 107A.13.1 of the San Francisco [Building Code](#).

Section 107A.13.1(a) of the Building Code:

**"First construction document"** shall mean the first building permit issued for a development project or, in the case of a site permit, the first building permit addendum issued or other document that authorizes construction of the development project. Construction document shall not include permits or addenda for demolition, grading, shoring, pile driving, or site preparation work.

**Steven L. Vettel**
