Attach: Mitigation Measure M-C-TR-4 April 22.docx

Hi Kristin and Seung Yen,

Please review the attached edits to the Balboa Reservoir M-C-TR-4 mitigation measure. The project sponsor and EP are on board with this language. If you both find this revised language acceptable, I will cancel the meeting for tomorrow morning.

Please note that the dollar amount to be paid in each phase is tied to the percentage of units anticipated to be constructed.

Thank you!
Liz

Hi Steve,

Attached are Planning and MTA's latest proposed changes to the mitigation measure. Please let Liz know if you'd like us to invite anyone else from the project team to the 9:30 call on Friday to discuss this.

Thanks,
Jeanie
