Dear Balboa Community Members,

San Francisco Planning has prepared the responses to comments (RTC) document for the Balboa Reservoir Project, Case No. 2018-007883ENV, which responds to comments regarding physical environmental effects of the project that were received on the Balboa Reservoir Project Draft Subsequent Environmental Impact Report (draft SEIR). The RTC document and the draft SEIR constitute the final SEIR, which is available at <https://sfplanning.org/environmental-review-documents>.

**A hearing to consider the certification of the final SEIR for the**

**Balboa Reservoir Project is scheduled at the Planning Commission on Thursday, May 28 at 1:00 p.m. or later.** The agenda for the May 28 Planning Commission hearing showing the order of items at the hearing will be available at the Planning Department website, [www.sfplanning.org](http://www.sfplanning.org), by close of business on Friday, May 22.

*NOTE: Because of the COVID-19 Shelter in Place Order, Planning Department staff are working from home, and the Planning Commission may hold the certification hearing remotely. Members of the public are [encouraged to participate](#). Additional information may be found on the Department's website at [www.sfplanning.org](http://www.sfplanning.org). To reduce risks to outside service providers, the Department is aiming to limit the distribution of hard copy documents. Please contact Jeanie Poling if you still require a hard copy of the responses to comments document.*
