Hello again BRCAC,

The Balboa legislation has been posted to the Clerk of the Board's legislative website (<https://sfgov.legistar.com/Legislation.aspx>). I have included links below for each of the three legislative items. You will be able to download the Development Agreement via the DA Board file item. I have also listed the board file numbers for each item so that you can track the legislation that way too. I am putting in a request with the web folks to have these linked on the CAC webpage too.

Thanks, Leigh

**Subject:** Balboa Legislation introduced

Hello BRCAC,

Per Supervisor Yee's message at the meeting last night, he has today introduced 3 pieces of legislation for the project. I am attaching them here so that you have copies. They will also be posted to the Clerk of the Board's

legislative website in the coming two days. In addition, the full Development Agreement will be posted to the Clerk's website in the coming two days. When it's published we will update the CAC webpage to include direct download links for easy access. (The DA is too large to email).

I want to thank you all for your feedback at the meeting last night. We will be in touch soon with responses.

Thanks, Leigh
