Hello Balboa Reservoir project team,

Attached is the SEIR certification portion of next Thursday's hearing – my presentation is part of the larger presentation that Seung Yen is preparing. See the Q&A prep sheet of responses to questions on the EIR that we anticipate and who should be prepared to answer. Note that the sponsor team and any consultants will have to call in to speak, so we are trying to focus on having City staff rather than consultants respond. (Sponsor will need to call in for their part of the presentation and also for responding to Commissioners' questions – Seung Yen will send further instructions.)

In particular please review the Q&A. We are trying to keep responses brief and to the point. Please provide your tracked changes to me and Liz by 10:00 am Tuesday.

FYI, I'm taking the rest of today off but will be working tomorrow.

Thanks,  
Jeanie
