Hi Michael,

Thanks for your email. We're coordinating internally and will be talking with Jon later this week so that we can lay out a plan for upcoming CAC meetings. We'll be back in touch soon.

At the conclusion of the last CAC meeting I suggested that the CAC hold a meeting prior to the June 16 SFMTA meeting and the June 23 SFPUC meeting. I still believe it is crucial that the CAC weigh in on these two important meetings and be informed before and at the meeting about such meetings relating to the Balboa Reservoir.

Please let me know if a meeting date is in the works.

Thank you and stay safe in these trying times.
