All,

Attached is the final hearing transcript in word and PDF format for your records. The court reporter went through and listened to all the areas where there were comments, and what was said on the audio is what was typed, except one instance of important reach instead of import reach.

I am out starting tomorrow and back on Tuesday. Please have a safe and healthy holiday weekend.

Subject: RE: For review: Balboa Certification Hearing Transcript

Hi Susan,

Please see the attached. I added my edits to Steve's. There are just a few comments asking the court reporter to check the audio/video of the hearing. Otherwise it's good to go.

To quote Oscar Wilde, "I have spent most of the day putting in a comma and the rest of the day taking it out."

Thanks,
