Hi Amy,

Sorry for the delay in responding to you. I think Brigitte can best answer your questions about the College's MOU process. I understand that the item will be on the agenda for Thursday's Trustee meeting, but the content has not been shared outside of the College's MOU committee.

Thanks, Leigh

Leigh and Brigitte,

Is there any follow up regarding the CCSF MOU issue as it was raised at the last BRCAC meeting? The committee meeting, the committee members, and/or any notice on the CCSF website?

Thank you-  
Amy

Hello all,

I've attached our agenda for tonight. It will also be posted to the website. The website contains the Zoom link for the meeting, which begins at **5pm**.

Brigitte will lead a discussion on the status of City College and developer MOU. And I will present upcoming public hearings dates and material.

Amy - I will address the comments you sent through during the general updates section of the agenda.

Thanks all and see you tonight, Leigh
