Subject: BRCAC - Balboa Development Agreement amendments
Attach: Balboa DA - amendments marked to 7.21.20 submittal.pdf

Hello BRCAC,

Thank you for your time and feedback on Tuesday regarding the amendments to the Development Agreement that we discussed. I've attached the final set of amendments that have been incorporated into the DA - note that this file includes only the portions of the DA that have been amended, it's not the full document. The full document can be found on the Board's site for this legislation (200423): <https://sfgov.legistar.com/LegislationDetail.aspx?ID=4431185&GUID=D8DB88D0-9CCB-42DC-B411-2061DC96C35F&Options=ID|Text|&Search=200423>

I want to point you specifically to Exhibit R near the end of the file which is titled Community Engagement. It outlines the ongoing community involvement as the project moves to planning/construction/operations phases.

We are available to answer any questions you have or provide additional explanations as you review these documents. Please do reach out.

The project's hearing on Tuesday 8/11 will first include the Board's consideration of the CEQA appeal. The public may comment either in support of the appeal or in support of the validity of the EIR. Please note that comments on the legislation or project documents are not included in the public comment periods at this hearing.

Thank you again for all of your contributions to this project and to our community planning process. We very much appreciate your efforts.

Thanks, Leigh

Leigh Lutenski
