Hi Monica & Claire,

We have someone going into the office on Wednesday. Is it okay if we mail it then?

Thanks,

Hi Monica,

I am looping in our accountant Ali who is helping get the check cut and sent. If it is sent out on 8/10 is there a better address that we should send it to?

Ali – could you give us an update on when someone will be in the office and able to mail the check?

Hello Claire,

Just circling back, do we have an ETA on when fees will be sent to 1650? Monday 8/10 is the last day we are allowed in the building.

Thank You Claire,

Monica Huggins

Hello project sponsors,

If the Board uphold the EIR certification on August 11, we have until Aug 17 to file the NOD at the County Clerk's office. The NOD filing is complicated by office closures due to COVID and the Planning Department's move, and I considered asking you to handle the filing, but it seems best that we do the filing.

To ensure timely filing, we ask that you deliver the checks to Monica by Aug 10, even though the hearing isn't until Tuesday. (In the unlikely chance the EIR certification isn't upheld, of course we will return the checks to you.)

Please coordinate directly with Monica on delivering the checks.

Thanks,
Jeanie Poling, Senior Environmental Planner

The hearing isn't til Tuesday, and it might be after COB when they uphold the certification. So I think the soonest the NOD can be signed is Wednesday. Though I can ask the sponsor to deliver the checks on Monday and you can mail them early on Tuesday (after Lisa signs the NOD). OK?

Hi Jeanie, so I checked with the county clerk, they cannot accept messenger/deliveries. The clerk requests by US mail only and there's no interoffice mail service either, I totally understand the time element here it's most unfortunate there isn't an online process with the county clerk.

Can the PS overnight the checks to 1650 by Monday 8/10? I can be in the lobby to pick them up that way I can mail the checks and notice on 8/10.

Clarifying...are you saying that you want to send the PS the pdf of the signed notice, have them

make 4 copies and mail these and their checks to the county clerk? In terms of the “original” this might be moot.

I don’t know if they can be messengered though, as the office is closed to the public which is why they want these notices and checks mailed.

I’ll update you once I get confirmation from the clerk’s office.

Looks like they accept filing by mail. <https://sfgov.org/countyclerk/environmental-impact-documents>

I’ll ask the sponsor to do the actual filing, though it’s not clear if the NOD with an electronic signature is considered the “original” or if they can send it by delivery service instead of US Mail.

The county clerk will post the document on the day they receive fee payment, not the day we email the notice and fee scan

Does that mean their office is open and they are accepting the NOD filing and checks?

Hi Monica,

Assuming the BOS upholds the EIR certification on Aug 11, the deadline for filing the Balboa Reservoir NOD is Monday, Aug 17. We won't be getting/receiving email on Aug 13 and 14 due to the office move. I can have Lisa sign the NOD on Wednesday and then ask the sponsor to take care of the filing and check submittal, OK? How and where should they submit the actual checks?

Thanks,
Jeanie

Subject: Electronic Signatures on NODs/NOEs
Importance: High

Good Morning Everyone,

The county clerk now accepts electronic signatures for NODs/NOEs. Once the notice has been e-signed please send a pdf of the notice to myself and Virna, Virna or myself will mail the required copies and fee payments when we are in the office, we will also email the notice and a scanned pdf of the fee payment.

Starting on Monday Aug 17th, we'll have mail access again at 49 SVN. So, if a Project Sponsor has a check or a physical document, they can drop it off at our offices (in the same way as they currently do). Basically, our Reception Desk opens as it was in 1650 Mission. It will be a little chaotic in the first week so stay tuned.

Please reach out if you have questions.
