Hi Christopher,

Thank you very much for all of your participation in the process these last years. It's a large milestone and moves us that much closer to bringing new families into this great area.

Attached is the latest MOU draft that was approved by the Trustees on 8-6. The developer and the College administration are still working to review the Trustees' latest amendments and turn the MOU into a final document acceptable to both parties. I anticipate this will be done in the next several weeks.

Thanks again, Leigh

Hi Leigh,
Congratulations on the Board of Supervisors approval of the Balboa Reservoir project. Could you forward a copy of the final version of the City College MOU to me? Thanks.
