Jurisdiction Disposal and Alternative Daily Cover (ADC) Tons by Facility

This report provides annual estimates of the disposal amounts for jurisdictions in California as reported by county and regional agency disposal reporting coordinators. The report shows the total amount disposed by the jurisdiction at each disposal facility for a requested year. ADC is CalRecycle-approved material other than soil used as a temporary overlay on an exposed landfill face [Complete ADC definition](#)

Year

2017 ▼

Jurisdiction(s) [grouped/ordered by County/Regional Agency]

Reset

Instructions

First, select a year. Next, select one or more jurisdictions.

Multiple jurisdictions (up to 20) may be selected. Select each jurisdiction one at a time and it will be added to the selection list. Jurisdictions are grouped/ordered by county.

After the year, jurisdiction(s), and format are selected, click the Generate Report button to download the report.

Note: ADC is defined by law as diversion through recycling and is not considered disposal.

See [Public Resource Code \(PRC\) Section 41781.3\(a\)](#).

[Disposal Reports Home](#)

Disposal Reporting System (DRS) web reports are based upon information reported by permitted facility operators and compiled by County/Regional Agency disposal reporting coordinators. Only finalized data are shown in these reports.

Data updated continuously.
