Tier 1 (0-5 years) = Short-term development.

Tier 2 (5-20 years) = Long-term development.

Tier 3 (beyond 20 years) = Speculative development

1 Residential units in Ocean Avenue Infill did not have specific locations.

²The area plan EIR stated that about 40 units and a small amount of retail could be at the Donut Shop site as part of San Jose Avenue infill.

3 The area plan EIR stated that the firehouse site would be developed only if the fire station were relocated to another site with the approval of the San Francisco Fire Department.

4 Tier 3 development, anticipated to occur beyond the year 2025, was considered to be too speculative to be analyzed in the area plan EIR.
