This project is aimed at improving safety, accessibility, and comfort for people traveling on Ocean Avenue between Geneva Avenue / Frida Kahlo Way (Phelan Avenue) and San Jose Avenue. The Project will take the recommendations from the SF Planning Department's Ocean Avenue Corridor Design as a starting point for discussion and to respect the community input that went into that past planning effort. The goals of this project will be two-fold. First will be development of a set of near-term improvements – cost-effective measures that can be installed quickly to immediately

improve safety on Ocean Avenue. Second will be the creation of a long-term vision for the Ocean Avenue corridor that can be coordinated with other on-going projects or a future Muni re-rail project.

## Project Timeline

**Project Status :** Planning

## Neighborhoods

**West of Twin Peaks** (</neighborhoods/west-twin-peaks>),

**Ocean View** (</neighborhoods/ocean-view>), **Outer Mission** (</neighborhoods/outer-mission>)
