Hi Biling,

Jeanie's email confirms and it already includes Dan Sider. I don't need to send him an email. Yes, include Balboa Reservoir in your quarterly AB900 billing and send the PPTS report to Jeanie for complete review of the project's hours.

Thanks,

Anika,

Yes, 10SVN is still pending for billing contact. Attached email is the billing contact for Balboa Reservoir Project per Jeanie Poling, just for your reference.

Thanks.

Hi Biling,

I'll have to forward your question to Dan Sider and Deborah because we'll need to know if this is something that OEWD will be billing for. Before I do that, just to confirm, is 10SVN is the only AB900 project that we haven't billed a developer for because we still don't know which department is responsible for billing?

Thanks,

Anika Lyons

Hi Anika,

I am now preparing the 2019Q3 billing for the existing AB 900 projects-3333 California ST and Potrero Power Plant Project.

Can I confirm that I can start T&M billing for this new AB 900 project Balboa Reservoir Development? Record ID was just created on March 5, 2019. Report is attached.

Thank you.
