As a reminder, Jeanie sent this previously. The condition starting... "All grocery store loading shall occur" section may be something we need to discuss in relation to our conversations about Ocean.

Subject: Balboa Reservoir - Lee Ave loading operations

Hi all,

These are my action items from yesterday's meeting.

Attached are the 2009-2010 approval motions for 1100 Ocean ("Phelan Loop Site") and Whole Foods/1150 Ocean ("Kragan Site"). See conditions 30-34 in the Kragan motion about loading. I also have emails etc. concerning loading discussion from back then, if anyone wants me to forward them.

Regarding schedule, ESA is scheduled to distribute ADEIR-2 on **April 29**, so it would be best to have the loading discussion folded into the transportation section by then.
