Hi all,

I've made a sharepoint version of the comment spreadsheet that includes mine, Luiz's and Ilaria's comments. We all should be editing it at the same time.

Lisa, when you are done with your comments, either send them to us or add them to this file.

Please call my cell at 415 602 5628 when you are all in the conference room. Thanks!

Thanks Luiz,

Since I don't have access to the I drive, could you please send me the MIP review spreadsheet that includes yours? To answer your question - no, we don't have more time to review it after we send our comments off to OEWD on 5/3. If you want to take a closer look at the street chapter, please do it by next Tuesday (4/30).

Thanks!

Okay with me – my comments are in – I didn't get to the level of detail that I wanted to but I assume we can still keep it reviewing after sending the comments to the agencies?

Hi all,

I am still sick, so I am working from home today. For today's check-in, if you can send me all of your comments by 12 pm, I will compile them and create a sharepoint document for the meeting, and I would like to call in.

Please let me know if this works for you. Thanks!

Hi all,

Please reserve this time to review our comments on the MIP together. The purpose of this meeting is to identify any follow-up items before we submit our comments on May 3. I will review all of our comments in the morning, and if I see no conflicts or discussion items, I will cancel this meeting.

I will be out of town from Friday to Tuesday morning (4/26-30), so I'd like to get this process started before Friday, 4/26.

Please let me know asap if this time works for you. Thanks!
