Hi all,

Here's our proposed agenda for tomorrow's check-in.

1. Project schedule update
 - a. DSG review - We just received the updated DSG
 - b. CPC info hearing - June
2. AB900 reminder and timeline
3. MIP review summary (mostly for Josh): Ilaria, Lisa, Jeff, and Luiz, it's optional for you to stay for this item

Let me know if you have any questions.

Please hold this time for an internal bi-weekly check-in for the Balboa Reservoir project. I will update each calendar invite with agenda items. If there is nothing pressing to discuss, I will cancel the meeting, and/or certain staff may not need to attend depending on the issues.

Thanks!
