**Resources:** CPC\_528-1650 Mission (16)

Hi all,

Let's use this time to go through our comments (highlights, concerns, meta comments, etc) and if there's any questions or conflicts, we should use this time to discuss them.

Lisa and Ilaria, it looks like you have something tentative till 4pm. Could you please confirm that you can join this meeting? This is only slot in this week that seems working for all of us.

Thanks!
