I just got this from Christine Hanson. If you haven't seen it, here's something to read over the weekend.

Hi Jon,

Attached is the full TDM and survey results for City College. It's 160 pages, hopefully my system will allow me to send it to you.

It has not been presented at City College at all, the Facilities employee who sent it to me wasn't even sure if she was sending me the right document but it is...funny that you guys got the "show" but no one at school did.

Chris
