Leigh

We will bring 10 copies per correspondence below. We put your slides at the start of our PDF – so glad to print the whole package if you prefer, unless you have made changes to your slides.

Hi all - see Amy's request. This doesn't seem unreasonable, right? If not, can project team bring 10 copies of the design preso and I'll bring the schedule slides? Please print per her recommendation.

Hi Leigh,

Will the CAC members be given printed copies of the presentations? Last time they were tiny rectangles, three to a page, and hard to read (I have bad eyes).

Could we please have printed one-slide-to-a-page versions this time?

Having printed copies helps immensely -- because the screen is behind us, as we sit at the long table in front -- we can't actually see what everyone else in the room is seeing on the screen.

If you aren't planning to make printed copies, could you please send the final versions so I could print it for myself?

Thank you much-
-Amy
