Good evening.

I get the pre application part of your request. I will create a version for you tomorrow am based on our conversation today.

I must admit I don't know what agreement you are talking about. Please give me a better idea of what it is you need, and I will provide.

I did, however, go to the Planning website and dump the proposed development. I don't think they will be at the table for mapping for a while. The timeline says that they are in the Environmental study phase.

I have this stuff in my hard drive and can dump in the J drive tomorrow for you.

Thank you for the work!

R

Rob

Highest priority.

I need a working copy of a pre application checklist and agreement by COB tomorrow, for the Balboa project.

Feel free to research the project and customize the checklist.
