Hi John, Chris, and Robb,

Can you please add staff contacts to this list within your departments that have or will work on the Balboa Reservoir project?

Chris – Molly already added her PUC network, so you can focus on real estate staff.

Thanks, Leigh

**Subject:** Balboa AB900 - all staff contact list

Hello all,

As many of you are aware, the Balboa Reservoir project sponsor will be applying to the AB900 program in Sacramento. This means that City staff will have to begin the compliance work associated with the program, namely maintaining an up-to-date public record. I will be sending specific information and instructions to all staff (as well as offer an in-person training) as soon as I can compile a contact list.

To that end, can each of you please fill in the attached excel doc with all the staff from your department that are working on the project and may have relevant public records? Please also include any staff that may work on it in future.

Feel free to loop in any key departments or staff that I omitted. I am trying to compile a comprehensive list.

Thanks, Leigh
