I'm not sure if my e-mail went through earlier, so I am resending this note (below) from my personal e-mail account.

CRR

Hello Balboa Reservoir Reviewers,

I will be available from very early Monday morning on if you have any questions/concerns regarding the AB900 reporting requirements for the Balboa Reservoir project. In addition, please be sure to read my May 3 e-mail over again, along with the original attachments sent at the time.

Please remember that **I will need your files (as described in the handouts) by no later than this Tuesday (June 11) at noon.**

Thanks so much, Carli, for sending the reminder out in my absence.

Best,
Charles
