Re: City College Infrastructure Encroachments

Dear Dennis,

I received your letter dated February 14, 2019 regarding utility and easement encroachments. I believe you are aware of that the District is engaged in discussions with the Balboa Reservoir Development Partners and the City. I am confident that we will work together to reach a mutually beneficial solution to these encroachments to the satisfaction of all the parties as we work towards formalizing a Memorandum of Understanding between the College and the Balboa Reservoir Development Partners.

Please feel free to contact me if you wish to discuss further.

Sincerely,

Steve Bruckman  
General Counsel
