Hi Leigh,

Will the CAC members be given printed copies of the presentations? Last time they were tiny rectangles, three to a page, and hard to read (I have bad eyes).

Could we please have printed one-slide-to-a-page versions this time?

Having printed copies helps immensely -- because the screen is behind us, as we sit at the long table in front -- we can't actually see what everyone else in the room is seeing on the screen.

If you aren't planning to make printed copies, could you please send the final versions so I could print it for myself?

Thank you much-
-Amy

Feel free to reach out to me with any questions or comments in advance of the meeting.

See you on Monday.

Thanks, Leigh
