Sure - go ahead and send. I will find some times that work for Seung Yen and I next week in the afternoons and get back to you with options. Thanks!

Looks good to me. I'll send the agenda out the committee this afternoon, unless you ask me to hold off.

Let me know when you would like to meet. As always, I am available in the afternoons.

Hi Jon,

I hope you are well! Seung-Yen and I have assembled the draft agenda for the June CAC meeting and invite you to review it. Please see the formal agenda attached. The two main presentation items are:

1. Draft Environmental Impact Report ("EIR") Update. (Discussion Item) 6:10 – 6:40 PM

Review of the Draft EIR status and schedule for public review and comment.

2. Updates from City College of San Francisco ("College"). (Discussion Item) 6:40 – 7:10 PM

Presentation of the College's TDM and Parking Plan and Facilities Master Plan.

Let me know if you have any questions or comments. Feel free to share this with the rest of the CAC for any input. Otherwise, I am happy to distribute the agenda to the members. Once reviewed we'll post it to the CAC website for public access.
