Jon and others. I will be there. Thank you for the reminder. I assume normal place is CCSF, ground floor.

Subject: Balboa Reservoir CAC meeting June 11 - Agenda

Hi everyone,

I hope you are all having a great summer in the rain!

Here's a reminder that we will be meeting on June 10 at the usual time and place. Please let me know if you have any concerns or questions and I will bring them up with Leigh and Seung Yen when we meet.

Here are the two main items to get up to date on for discussion. I will do my best to get the materials from Planning and CCSF in a timely manner. The agenda is attached.

1. Draft Environmental Impact Report ("EIR") Update. (Discussion Item) 6:10 – 6:40 PM

Review of the Draft EIR status and schedule for public review and comment.

2. Updates from City College of San Francisco ("College"). (Discussion Item) 6:40 – 7:10 PM

Presentation of the College's TDM and Parking Plan and Facilities Master Plan.
