Jon, thank you for your note and the agenda. Thank you for doing your best to get the materials from Planning and CCSF in a timely manner. It would be helpful for all of us to be able to study the materials in advance of the presentation. Is it possible for you to ask Planning and CCSF to give us materials before the meeting so we can study the materials and be in a position to ask informed questions?

Thank you.

Hi everyone,

I hope you are all having a great summer in the rain!

Here's a reminder that we will be meeting on June 10 at the usual time and place. Please let me know if you have any concerns or questions and I will bring them up with Leigh and Seung Yen when we meet.
