Hi Leigh,

Thanks for sending us the information on the Planning Commission meeting. I'd like to attend and provide comments, but I have a meeting from noon-1pm downtown. If it begins at 2pm, I should be able to make it to City Hall.

So I'd be happy to get some additional information from you on the topics that will be discussed and how I can help!

Thanks,
Mark

Hello BRCAC members,

Thank you to Jon for distributing the agenda for the upcoming meeting on Monday 6/10. I am working with the presenters of both agenda items to be able to distribute their materials by mid-next week so that you all have a chance to review them prior to the meeting. You can expect a follow-up from me next week with those materials.

I also wanted to let you know that City staff have scheduled an informational item about the Balboa Reservoir project at the upcoming Planning Commission meeting on Thursday, June 13th. The purpose of this presentation will be purely informational, no actions are taken by the Commission, and is meant to be a general update for the Commissioners about all the work that has gone into the project over the last few years. The focus will be on the community engagement process and the site design. Public comment is permitted and welcomed – and I'd like to invite all of you to attend and speak about the community process if you would like. I've included the meeting details below. If you would like to attend please let me know and I'll be sure to reach out with more information.

Thank you all, Leigh

Planning Commission

Balboa Reservoir Informational Hearing

Thursday, June 13th

Location: City Hall, Room 400 (1 Dr. Carlton B. Goodlett Place)

Meeting starts at 1:00 pm

NOTE: the agenda will be published at the end of next week so I cannot advise on the timing of this item, but informational presentations are usually scheduled for early in the meetings and occur around 2pm generally. I will provide an update when the agenda is published.

Hi everyone,

I hope you are all having a great summer in the rain!

Here's a reminder that we will be meeting on June 10 at the usual time and place. Please let me know if you have any concerns or questions and I will bring them up with Leigh and Seung Yen when we meet.

Here are the two main items to get up to date on for discussion. I will do my best to get the materials from Planning and CCSF in a timely manner. The agenda is attached.

1. Draft Environmental Impact Report (“EIR”) Update. (Discussion Item) 6:10 – 6:40 PM

Review of the Draft EIR status and schedule for public review and comment.

2. Updates from City College of San Francisco (“College”). (Discussion Item) 6:40 – 7:10 PM

Presentation of the College’s TDM and Parking Plan and Facilities Master Plan.
