Hi Leigh,

It was good to see you last night at the Balboa Reservoir CAC meeting. As you're aware, I sit on the SFPUC CAC seat on the Balboa Reservoir CAC. As we're getting closer to the Draft EIR being released, I wanted to reach out to see if staff and/or the project sponsors would be able to attend the next SFPUC CAC meeting.

The SFPUC CAC has supported the Balboa Reservoir development and it's been a while since they've received a complete update on the status and progress. There is strong interest in continuing the conversation.

The next SFPUC CAC meeting is scheduled for next Tuesday, June 18, 2019 - I know this is short notice, but I was hoping you or other staff at OEWD could attend and give an in-depth update on progress and next steps to the full SFPUC CAC.

I've also copied Tracy Zhu, the SFPUC CAC staff liaison.

Thanks!  
Mark
