Subject: RE: Crosstown Pipeline?

Hi, Lynn,

I already spoke to Katie Miller so there is no need for CDD to respond to my inquiry,

Ryan,

I am looking for a response from PMB, not CDD.

Thanks,
Rosanna

Subject: Crosstown Pipeline?

Hi, Ryan,

Per my voicemail, we are working with a developer team, Planning and OEWD to develop the Balboa Reservoir for housing. The project will also use our retained pipeline property at the southern 80-feet of the property.

Is there a current plan to install the Crosstown Pipeline in this area south of the Balboa Reservoir?

Thanks,

Rosanna
