**Subject:** WSAs for 5/28 Commission meeting

Hi Steve,

We are submitting two Water Supply Assessments for the next batch scheduled for the May 28 Commission meeting. They are listed below. I left hardcopies of the WSAs in Karen's inbox for your and the GM's review and signatures. **I'm requesting to get the signed copies back by Friday at 4:00pm.**

- Potrero Power Station – WSA is revised from the one approved in April 2018
- Balboa Reservoir

I may be dropping off a third WSA (542-550 Howard ["Parcel F"]) for your review later this week, but it might be postponed to June.

Let me know if you have any questions. Thanks!
