Hi Rosanna,

Good news (I hope). I talked to Planning, and they assured me that nothing significant has changed since the previous round of review. The changes are noted in the redline files if you are curious.

If they have time, they will try to go through again to confirm that there are no major changes.

Thanks,
Lawrence

Hi Chris and Heather,

Sorry I was out last week and just received Rosanna's voicemail this morning. I can ask Planning and let you know since it sounds like Rosanna is out on vacation this week.

Thanks,
Lawrence

Lawrence,

RES commented in January.

How is this new draft different from the prior draft we reviewed? Can you ask Planning to explain so we don't have to go through the entire document again?

Thank you.

Rosanna
