I am available on the 27th, at either time.

I have found the problem with my time zone issue, so I can now safely be sent an invite!

No problem at all... we were looking forward to it, too. I'm happy to reschedule any time.

I'll let Emily take the lead in finding a time.

(Also, I think we are planning a meeting with the Sunnyside committee (via Rita) next week. It was going to be Tuesday evening, but that is during the jewish holiday so not sure if the date will shift. But in any case I'm happy to find a time for an update whenever it works.)

Dear Emily, Jeremy, Joe, and Scott,

I apologize for this awful mix-up over the appointment time today. I don't yet know why I got notification of the appointment to meet re BRCAC as being set at 5:00pm, but that was the time on the notification email, the time I planned for, and was preparing for.

I was very much looking forward to it, and I am so sad and disappointed that this happened.

I hope that another in-person meeting can be arranged, and as my schedule is more flexible than everyone else's, I'll accommodate whatever is proposed.

Again, my sincerest apologies.
