Dear BRCAC Members,

I'm writing to share the news that I'll be leaving OEWD at the end of this week. After a great seven years in City government, I'll be joining the development team at Wilson Meany, the company that's building Treasure Island/Yerba Buena Island and other large mixed-use projects elsewhere in California.

It's been a pleasure working with all of you over the last few years. I'm amazed by your dedication to serving your communities and making sure that they have a voice. I know that it can be time consuming and at times challenging, but your ongoing commitment to civic participating is truly inspiring.

My colleague, Leigh Lutenski, will be taking over my role on the Balboa Reservoir project, and I'm thrilled to be leaving it in such great hands. I think you'll really enjoy meeting her at the next CAC meeting.

If you need to reach me in the future, you can find me at emilylesk@gmail.com.

With all the best,
Emily
