Hi Jeremy,

See below inquiry regarding the very first BRCAC meeting in 2015. Can you help me craft a response? I presume we didn't do an audio recording of the first meeting?

Thanks, Leigh

Dear Ms. Lutenski,

I would like to listen to the audiotape of the Balboa Reservoir CAC meeting held on August 26, 2015 but there doesn't seem to be a link to the tape from that meeting on the website. Could you please help me to locate it?

Also, the minutes from that meeting don't include any portion of Michael Carlin's (of SFPUC) presentation. Is there some notes from that portion of the meeting somewhere? I would like to read them.

Thank you!  
Christine Hanson
