Thanks Seung Yen.

This generally looks good to us. We can probably stay until 5:00 if that works for you. If we have additional time we would suggest addressing the items included below in red, and expanding the time for discussion of open space.

1. Welcome and updates: 5 min
2. Overall feedback about the revisions and document structure (vision, design principles, etc): 15 min
3. Questions from the sponsors (outside the topics listed below): 15 min

Design team questions regarding Chapter 2

- Design principles, Key places, Design Framework

4. Overview of topic specific discussion items:
 - a. Open Space: 30 min
 1. SFPUC retained fee, access to Building A, [service access](#)
 2. Overall program and interaction with adjacent buildings
 3. Pavilion and streetwalls
 4. Dog park location
 5. 50% planting for Bio-diversity, Vs program space
 6. Community porch at Community Room
 7. Storm water strategy
 8. Brighton and San Ramon Paseo design
 9. Residential Open Space design
 - b. Land Use: 10 min
 1. Land use table and definitions
 2. Zoning controls and additional housing option
 - c. Building Design: 15 min
 1. Design Intent Section
 2. Off-street loading
 3. Townhomes
 4. Projections and zoning control related standards
 - d. Sustainability: 10 min
 1. Bioretention and raingardens
 2. Non potable water ordinance and townhomes
 3. Zero carbon buildings
 4. Living roofs
 5. % of green areas
 6. TDM

Subject: RE: Balboa 6/19 DSG Review meeting agenda

Hi all,

Here's our proposed draft agenda. For Agenda Item #4, we probably won't get into detail or reach any conclusion given the limited time. We'd like to use this meeting time to clarify our comments and define next steps to address them.

Please let us know if you'd like to add any discussion items. Please note that we have the meeting room until 5, so if needed, we can have a 2-hour meeting, but we aim for 1.5 hours.

1. Welcome and updates: 5 min
2. Overall feedback about the revisions and document structure (vision, design principles, etc): 15 min
3. Questions from the sponsors (outside the topics listed below): 15 min
4. Overview of topic specific discussion items:
 - a. Open Space: 15 min
 1. SFPUC retained fee (+ access to Building A)
 2. Overall program and interaction with adjacent buildings
 3. Pavilion and streetwalls
 - b. Land Use: 10 min
 1. Land use table and definitions
 2. Zoning controls and additional housing option
 - c. Building Design: 15 min
 1. Off-street loading
 2. Townhomes
 3. Projections and zoning control related standards
 - d. Sustainability: 10 min
 1. Bioretention and raingardens
 2. Non potable water ordinance and townhomes
 3. Zero carbon buildings
 4. Living roofs
 5. % of green areas
 6. TDM
5. Next steps and meetings: 5 min

Look forward to the meeting!

Best,

Seung-Yen
